Merrick's blue-eyed boy had let him down, and he needed a replacement. Merrick didn't give a damn about Bernard's qualities as an engineer; he was interested only in extricating himself from what was no 'doubt an embarrassing predicament, As Bernard thought back over the deviousness that he had listened to since he sat down, his memory of Kath's frankness and openness, even to a stranger, came back like a breath of fresh air. "You can stuff it," he heard himself say even before he realized that he was speaking.. "Who does, dear?". "Sounds like Quakers." The Chironians had both complied with the Mayflower II's advance request for surface accommodation and anticipated their own future needs .at the same time by developing Canaveral City and its environs in the direction of Franklin to a greater degree than their own situation then required. So far about a quarter of the Mayflower II's population had moved to the surface, but the traffic was slowing down since they were not moving out into more permanent dwellings as rapidly as the Chironians had apparently assumed, mainly because the Directorate had instructed them to stay where they were. Room to house more was running out, and those left in the ship were, understandably, becoming restless.. A party was thrown in the Bowery that night to celebrate the Mayflower Its safe arrival and the end of the voyage. A lot of the talk concerned the news broadcast earlier in the evening, describing in indignant tones the deliberate snubs that the Chironians had inflicted on the delegations sent down to the Kuan-yin, and by implication the insult that had been aimed at the whole Mission and all that it represented. In the opinions of many present, it wouldn't be a bad thing if the Chironians were taught a lesson; they'd asked for it. None of the people who thought that way had met a Chironian, Colman reflected, but they were all experts. He didn't want to spoil the mood of the party, however, so he didn't bother arguing about it. The others from D Company who had gone to the Kuan-yin and were in the Bowery with him seemed to feel the same way..6. Girls? Fiction. I. Tide.
